

Step by step on how to become a partner organization

First Step - Please answer these 5 questions first:

1. Define your goals with this project.
2. What are you expecting from us?
3. How do you think we can help you?
4. How we can join forces to help others?
5. How our partnership will improve your local community?

If you are not sure about one of the questions that's ok, live it blank and we can try to help.

Second Step - Fill up **this form, please be specific.**

- Define your main focus in order of priority.
- Explain how you would like to evaluate this partnership.
- Send us the description of the project's costs.

Third Step - We will contact you shortly.

- Give us 2-6 weeks to answer your request.
- If you don't hear from us within this time frame, **contact us**.

We are looking forward to working with you and your community!
